

أحمد العيسوي

Counting and Numbers: -KIDS

Assessment 2

Mom needs help pushing the box into the basement. Count by tens to show her which way to go. Trace the correct path.

The tracing path starts at the top left, goes right to 10, then down to 20, then right to 30, then down to 40, then right to 50 (with an X), then down to 60 (with a checkmark), then right to 70 (with an X), then down to 80, then right to 90, then down to 100 (with a checkmark). There are also other numbers like 20, 50, and 80 without checkmarks.
